Miss Degnan's Corner

The students have been working so hard this week! They have learned all about how to make lists, and practiced how to do Think-Pair-Share! We have also been working very hard to learn our sight words! You can help your child at home by using the yellow sight word chart in their green folder! Our focus for right now is the Trimester 1 words on the yellow chart! If you have any questions, please feel free to contact me at edegnan@hastings.k12.mn.us
